

# EARTHQUAKE PREPAREDNESS

[napavalleycoad.org/preparedness-calendar/](http://napavalleycoad.org/preparedness-calendar/)

## BEFORE AN EARTHQUAKE:

**SECURE** heavy appliances and hanging items

**MAKE A PLAN** with your family & **STAY INFORMED** with **ALERTS!**

Create a **STAY BOX** with enough supplies for 3 days in case of a potential shelter in place

**PRACTICE** earthquake safety drills: [bit.ly/earth-prep](http://bit.ly/earth-prep)

Have a **FINANCIAL PLAN** in place in case of a disaster.

Download the **MyShake app** to receive earthquake notifications seconds before shaking begins. Download **Alert Napa County** powered by the **Everbridge app** to stay informed during an emergency.

## DURING AN EARTHQUAKE:

**DROP, TAKE COVER, HOLD ON!**

**PULL OVER** and activate the emergency brake if you're driving.

**NEVER** run into a building during an earthquake.

## AFTER AN EARTHQUAKE:

Prepare for **AFTER SHOCKS!**

**EVACUATE** if the building is unsafe

For **MEDICAL EMERGENCIES** call **911!**

If you're trapped under rubble, **MAKE NOISE** by calling for **HELP!**

**Notify** your loved ones that you're safe via text
