

WHAT TO INCLUDE IN YOUR EMERGENCY STAY BOX

STAY BOX - A home emergency kit with essentials to keep your family safe when you need to shelter at home.

- Make sure the box is easily accessible during an emergency and that you have access to important family documents.
- Contains food and water for several days and essentials like ways to stay informed, batteries and chargers and first aid kits. These items can also be used for your Go Bag!

Up to 3 gallons per person for drinking and washing.

Prepare enough food for several days that won't spoil. Don't forget the can opener!

Battery-operated or hand-cranked radio to **STAY UPDATED**

Emergency First Aid Kit
